

CHRISTLIFE COMMISSIONING PRAYER

Presentation of the Participants

Presider: *(following the post-communion prayers)*

Dear friends in Christ,

God calls each of us through the graces bestowed by our baptism into a relationship with Him: He calls us to know Him, to love Him, to serve Him, and make Him known and visible to all the ends of the earth.

Over the past twenty-one weeks, our community has been invited to deepen their relationship with our Lord, Jesus Christ, through the ChristLife program.

I would now like to invite anyone who has been involved in the ChristLife program to stand and receive a blessing as we commission you to carry out the work of evangelization in our community.

Blessing

Presider: *(with hands extended over the ChristLife participants)*

Let us pray,

God of glory, in the great commission your beloved Son instructed the faithful to go and make disciples of all nations, Bless our brothers and sisters who have been called into a deeper relationship with our Lord, that they may have the courage and hope to carry the good news of Your Son to all they meet.

Grant that their ministry may be fruitful and pleasing in your sight. We ask this through Christ our Lord.

Amen.
